Book of Light

Here is the light...the book will be coming soon!

Joh 1

KJV

None

John

1 In the beginning was the Word, and the Word was with God, and the Word was God. **2** The same was in the beginning with God. **3** All things were made by him; and without him was not any thing made that was made. **4** In him was life; and the life was the light of men. **5** And the light shineth in darkness; and the darkness comprehended it not.

6 There was a man sent from God, whose name *was* John. **7** The same came for a witness, to bear witness of the Light, that all *men* through him might believe. **8** He was not that Light, but *was sent* to bear witness of that Light. **9** *That* was the true Light, which lighteth every man that cometh into the world. **10** He was in the world, and the world was made by him, and the world knew

Privacy Guide

- * Provides tools and directions for how to safely use a computer in hostile areas
 - * Use a computer that doesn't keep logs
 - * Use an internet browser that masks your traffic destination (Tor)
 - * Use disk encryption
- * Lists the Tor link for the website

Privacy Guide

Privacy Software

Here is some security software that you may find useful. It will help protect you if you are in a hostile area, by masking your internet activity and making your computer unreadable without a passcode.

Why use security?

Tails (Linux privacy distro)

- use the Internet anonymously and circumvent censorship
- all connections to the Internet are forced to go through the Tor network
- leave no trace on the computer you are using unless you ask it explicitly
- use state-of-the-art cryptographic tools to encrypt your files, emails and instant messaging

Download Tails

Tutorial on running Tails from a USB drive

Download Tor: anonymous internet routing (computer internet traffic cannot be identified)

Tor tutorial

Tor Demo

Download VeraCrypt: disk encryption (contents of computer cannot be seen without a password)
